

checklist to making more Art

Luckily art is a skill, so therefore can be learnt. And the only way to get better at it, is to do more of it.

So I made this checklist to help you to do just that.

- ☐ Focus on one medium and get good at that
- ☐ Find a studio space
- ☐ Find time to create every week and schedule it
- ☐ Collaborate with other artists to keep inspired
- ☐ Use a Tabata timer to stop distractions
- ☐ Join in on live events, get involved
- ☐ Be part of your local art scene - attend art exhibitions
- ☐ Create a series of paintings from a subject you love

It's fine to enjoy creating art for the love of it, and to create whenever you get some inspiration. But if you want to get great at it, then you need to put in the time just like any other skill.

It's a long, but enjoyable road ahead.
The fun is in the process.
